

Why Choose a Church Preschool?

A good preschool program gives children the opportunity to engage in a wide array of age appropriate, character building experiences. Weekly Chapel Time, Bible stories, as well as prayer before snack are ways that Harmony Preschool Staff emphasize loving Christian values.

“Learning and Growing Surrounded by God’s Love”

Open to families of all faiths, Harmony Preschool is committed to providing a loving educational environment where each child can learn and grow both emotionally and spiritually.

Philosophy

We believe that children learn best through hands-on experiences and directed play. At Harmony Preschool, children are exposed to the skills they need for future schooling through learning centers, manipulatives, and active games.

Class Size

There are up to 12 children in each class, with a full time teacher and an assistant in each classroom. Children spend time with peers from other classes during music, chapel, learning centers, Zoophonics, and playground time.

Sessions

Harmony Preschool offers classes in the morning beginning at 9:00am and ending at 12:00pm. There are 2 day, 3 day, and 5 day programs.

Curriculum

Harmony Preschool follows a Learning Center approach to curriculum. The cornerstone of this approach is Active Learning. Opportunities for choice are emphasized, allowing each child to develop at his/her own pace.

Our six centers include: Discovery, Home/Imagination, Building, Hands-On, Art, and Free Art. Each center is staffed by an adult to encourage, interact with, and supervise the children. Weekly themes provide a variety of experiences that encompass all areas of the curriculum.

Students at Harmony Preschool learn Zoophonics, a multisensory approach to phonics. Additionally, we incorporate learning techniques that are used in Loudoun County Public School classrooms, such as D'Nealian style handwriting and recognition, personal dry-erase boards, and magnetic letter sorts for word recognition.
