Good Afternoon Harmony Friends,

Probably, you have already assumed our Harmony UMC preschool has closed for the remainder of the year. While we know this is the best and only step to take, it saddens us to do this.

I want to thank our preschool director, Audrey Fleming, the preschool board, and our preschool teachers for their concern, compassion, and understanding as difficult decisions around the preschool's closing were made. We are fortunate to have these women as our preschool leaders.

Additionally, as you may know, Audrey will finish her service as our preschool director in May. We welcome Megan Rivera, our newly hired HUMC preschool director to our church staff!

Please remember Audrey, Megan, the teachers, the preschool board, children and parents in your prayers.
